The screenshot shows the website header for the International Association of Therapeutic Drug Monitoring and Clinical Toxicology. The header is dark blue with the organization's logo on the left, which includes a stylized graph and a globe. To the right of the logo, the text reads "International Association of Therapeutic Drug Monitoring and Clinical Toxicology" and "Fostering education, research and practice in TDM and CT". Further right are social media icons for LinkedIn and Twitter, and links for "Contact Us" and "Login". Below the header is a navigation menu with buttons for "Home", "About Us", "Membership", "Scientific Committees", "Awards", "Events", and "Contact Us". A search bar with a "Search" button is also present. A light blue notification box at the bottom of the header area contains the text "Your payment has been completed."
